**2017-2018 Special Project  
Murrow Indian Children's Home  
\$15,000.00**

Since 1902, when two Indian tribes donated land for an orphanage, Murrow Indian Children's Home has provided loving care for hundreds of Native American children. Ministries include residential care, crisis care, and day care for children of teen mothers who are in high school and attend parenting classes.

Funds collected for our special project will allow Murrow to purchase four new 25.2 cu. Ft. refrigerators for the cottages. The current refrigerators are old with loose seals. In addition, funds would be used to replace and relocate three of the six hot water heaters. The remaining funds would be used to purchase a commercial freezer.

The ABWM 2017-2019 Ministry Focus theme is “Feel/Siente . . .”. This will give us the opportunity to spend two years focusing

upon the many ways we experience God through Jesus Christ—how we feel God at work in us and through us. The theme invites us to feel compassion for others—to be emotionally affected by what is happening to our sisters and brothers next door and around the world. Finally, the theme gives shape to our faith journey for the next two years, as we continue to feel our way towards God.
